Dr. V. K Kapoor
(President)

Universities, teachers, students and stake holder associations today are entrusted with grater responsibility to provide globally skilled human power at all levels, having breadth of knowledge, conscientious of their social responsibility and commitment to serve humanity.

Dr. Sanjay Tandon
(Secretary)

In the competitive era of 21st century, the future will belong only to those talents who are able to build a strong foundation and have in- depth knowledge and understanding of their professional field. With the ever expanding frontiers of information and knowledge student have to learn to dive deep to harvest the pearls of success against all odds. In present scenario there are a large number of institutions imparting technical education. But we have observed that at the same time it is more important to create a good human being, acceptable to society.

Dr. Hari Om
(Manager)

It takes someone special to be an educator, a person who cares for others, and aims to help students grows to their fullest potential. Distinguished institutions have such special people, who are capable, dedicated and hard-working along with having an interest in making a substantial difference in the future of students. They aim to build a holistic profile of our students and ready them to venture in the global arena with an optimum amalgamation of strength of character and academic excellence. On this note of hope, I wish for a brighter and better tomorrow for all of us.

Dr. V. K. Singh
(Principal)

Education is the most powerful weapon which you can use to change the world." — Nelson Mandela
Education is the manifestation of love and my most cherish.
